I love you
Land of Moloka'i
Welcoming, visitors
With an open heart

I love Waialua
A lovely place this
Beautiful to see
Covered by misty dew

Honored is Haka'ano
That sounds on the surface
Of the sea
You are a sand bar
Amid the highest cliffs

Told is the love never ending
For Kainalua
The fragrance of seaweed
Is borne on the air there

The story is told
Beautiful is Kalaupapa
Welcoming visitors
With an open heart
