Blue Lei

You were wearing a blue lei
The day that I first met you

As we wandered on the sand
By a blue, blue sea
With not a cloud in the sky to distress us
Not a care had you or I to suppress us

I shall always remember
The moment when I kissed you
For the smile upon your lips
Was heavenly sweet

When your blue eyes looked into mine
It was then the stars began to shine
That day in May

You wore a blue, blue lei
