Oh, when I hear the strains of that sweet A-le-

And stealing from afar off guitar, Penei - No

When Li-li-u E makes you sway in the

moon-light I know the reason why fair Hawai'i haunts you so.

The lovely blue of sky and the

sapphire of ocean, The flashing white of cloud and of waves foam-ing crest

The many shades of green from the plain to the mountain. With all the brightest hues of the rain-bow we're blest.
I hear the swish of rain as it tuition down the valley__ I hear the song of wind as it sighs through the trees.

The heartheof waves on the rocks and the beach__es__ The hear the hissing surf and the boom of the seas__

I love to dance and sing of the

charms of Hawaii__ And from a joyful heart sing Aloha to you__

In every note I'll tell of the spell of my Islands For then I know that you'll be in love with them too__

For then I know that you'll be in love with them too__
