Hawaiian Vamp

Down in Honolulu beside the sea the naughty strain keeps haunting me just a naughty hu-la that sweet refrain it makes me quiver, shiver and shake and then we do it again. Hey!

The naughty hu-la glide, the creepy, sneaky slide, They dance it night and day and chase the blues a-way Hey!

'Twas on a moon-lit night you got the hu-la notion hold your feet down tight
and wiggle like the ocean. Hey!

A maiden fair to see, just like a rippling

she does the hula, just like a rippling

beside the sea the naughty strain keeps haunting

just a naughty hula that sweet refrain it makes me quiver,

and then we do it again. Hey!
