I met a hula girl in Waikiki and everytime she'd do a dance for me. And it's a dance that everyone should see.

The hula onioni era. The hula onioni era.
She loves to hula in the evening breeze while neath the shade of the cocoac trees. She has a motion like the rippling stream.

-Chorus-
She loves to trot and do the susy.
Because it's something that is hot & new.
But all the natives rather see her do

-Chorus-
The malihini cross the ocean blue.
It seem to thrill the Kanis thru & thru.
The go pupuli when the see her do.

At end,
The hula onioni era.
