A long, long time ago, there was a volcano living all alone in the middle of the sea

He sat high above his bay, watching all the couples play and wishing that he had someone too

And from his lava came this song of hope that he sang out loud every day for years and years

I have a dream I hope will come true, that you're here with me, and I'm here with you

I wish that the earth, sea, the sky up above will send me someone to lava

Years of singing all alone turned his lava into stone until he was on the brink of extinction

But little did he know that living in the sea below another volcano was listening to his song

Every day she heard his tune her lava grew and grew because,

she believed, his song was meant for her

Now she was so ready to meet him above the sea as he

sang his song of hope for the last time

I have a dream I hope will come true, that you're here with me, and I'm here with you

I wish that the earth, sea, the sky up above will send me someone to lava
Rising from the sea below stood a lovely volcano looking all around but she could not see him

He tried to sing to let her know that she was not there alone

But with no lava his song was all gone

He filled the sea with his tears and watched his dreams disappear

As she remembered what his song meant to her

I have a dream I hope will come true, that you're here with me, and I'm here with you

I wish that the earth, sea, the sky up above will send me someone to lava

Oh they were so happy to finally meet above the sea

All together now their lava grew and grew

No longer are they all alone with aloha as their new home

And when you visit them this is what they sing

I have a dream, I hope will come true that you'll grow old with me, and I'll grow old with you

We thank the earth, sea, the sky we thank too

Lava you, Lava you, Lava you
