SINGING BAMBOO

Listen, to the sweet singing bamboo.

It's singing a little love song to you,

calling of a small Island rendezvous.

A heaven that was made just for two.

Chorus: Where trade winds softly kissing the coco palms,

G7/8 with Flower scented night, calling you to my arms.

Go, listen to the sweet singing bamboo.

It's singing a little love song to you,

a little love song to you.

Kukui nut lei, it means so many things we want to say
It's hope and help and sharing, warm & light & caring
And all my love forever and a day
And all my love forever and a day
