Hands on your hips
Do your hula dips
Sophisticated Hula
Is the talk of the town

Swing your partner 'round
Soon you'll cover ground
Sophisticated Hula
Is the talk of the town

The native hula maidens, they love to dance
They do their dancing to the beating of drums
Now Sophisticated Hula's your chance
So do your dancing while the melody runs

Dance to the music sweet
Soon you will repeat
Sophisticated Hula
Is the talk of the town
(first time: G7 /4, second time: A7 /4)

Ending: Sophisticated Hula is the talk of the town
