Teach Your Children  
Graham Nash

Intro: D/8 G/8 D/8 A7/5 rest/3

Background vocals: harmonize underline

You, who are on the road must have a code that you can live by
And so become yourself because the past is just a good-bye
Teach your children well your father's hell did slowly go by
And feed them on your dreams the one they picked the one you'll know by
Don't you ever ask them, "why" if they told you, you would cry
So just look at them and sigh And know they

Love you

And you of tender years can't know the fears that your elders grew by
Can you hear and do you care and can you see we must be free to
And so please help them with your youth they seek the truth before they can die
Teach your children you believe and make a world that we can live in

Teach your parents well the children's hell will slowly go by
And feed them on your dreams the one they picked the one you'll know by
Don't you ever ask them, "why, " if they told you, you would cry
So just look at them and sigh
And know they love you
